

Sussex Cricket Ambassadors

Volunteer Roles

A new and exciting opportunity has arisen for 14 volunteers to be involved with one of the most successful Cricket Clubs in the country. The purposes of these roles is to promote Sussex Cricket to all communities across Sussex, to encourage greater participation through playing, watching or supporting cricket in Sussex, and to bring benefits to those communities.

The Ambassador Initiative has been designed to widen the reach of Sussex County Cricket Club and Sussex Cricket Board (Sussex Cricket) and to improve two-way communications within all parts of the County. Accordingly, one ambassador will be recruited in each of the following Areas:

Arun	Adur	Brighton & Hove	Chichester
Horsham	Crawley	Eastbourne	Hastings
Lewes	Mid Sussex	Rother	Wealden
Worthing			

We would also be interested to hear from those with an interest in Sussex Cricket who could undertake an Ambassador role within the City of London.

We are looking for motivated communicators who are passionate about their community, and have strong existing networks within that Area. The successful applicants will utilize these networks to both communicate the activities of Sussex Cricket to a wider audience, and to provide opinions and suggestions from the communities about how we can make Sussex Cricket a club for all the residents of Sussex.

The successful candidates will also have an interest in cricket, be a proactive self starter, be happy to work on their own but have the ability to work towards a team goal.

These are new roles and are intended to evolve over time.
