### **Parking**

Within the County Ground - only Sussex Members and those with Disabled Parking permits may park within the Ground and both are on a strictly first come, first served basis as space is very limited. There is a daily fee of £6.

On-street Parking - the roads adjacent to the Club are metered and can range from £2 for 2 hours to £2 to ten hours (nearer Hove station). Please be aware that on-street parking can be scarce and cars must be parked legally as the traffic wardens in this area are very strict.

Norton Road Car Park (Town Hall) - At the last set of traffic lights before the Ground (the yellow AA sign points left for SCCC) there is a sign indicating the Norton Road NCP. You should be in the right lane filter for this. Turn right at the lights and then take the second left. The carpark is at the bottom on the right-hand side.

Both Arundel and Horsham have parking for both Members and the general public upon payment of a daily fee.

### **Directions by rail**

Hove Railway Station is approximately 10 minutes walk from the County Ground. Walk down Goldstone Villas Road, turn left and walk straight on, across traffic lights (All Saints Church on corner), past SUSSEX CRICKETER PUBLIC HOUSE and next entrance is on the left.

For information regarding train times please phone British Rail on 0345 484950.
